Norwich, VT 05055

Dear Henry:

Please find below the annual report of the Upper Valley Events Center.

2006 marked the third year of operations for the Upper Valley Events Center. Our mission is to promote and support community enrichment and educational programs by providing an on-demand indoor and outdoor rental space for business, family and educators.

Our support of recreational programs included our hosting events such as the Open Air Summer Concert Series, the March of Dimes walk, Dog Run Dog and Summer Days Camp. On Saturday of Labor Day weekend the Events Center hosted the second annual Family Fair that brought over 400 families out to enjoy old-fashioned games and entertainment in support of local nonprofits and educational groups.

Educational programs on site included: Kumon Math and Reading, Sugar Maple Music, Rock School, SAT classes, Fiddle Class and yoga.

Business users generally use the site for planning and educational programs. Some users included: Stave Puzzles, Heron Graphic Arts, Healing Circle Acupuncture, ARCH, United Development Services, Good Beginnings, Bonnie CLAC, Datamann, Upper Valley Trails Alliance and others.

Our grounds are open to the public and families visit regularly to enjoy our open-to-the-public play yards and gardens. Various private parties used the site for weddings, Bar Mitzvahs, birthday celebrations and holiday parties

Our records indicate we served over 1,200 Upper Valley families in 2006. Donations to qualifying organizations and individuals totaled \$1,035.

As you consider entities to include in your report this information may be of help.

Sincerely,

Bruce M. Genereaux
