Inflatable Bouncy Castle Rental Policies

Size and Weight

The house, blown up is 13 x 13 x 13 feet tall. If the house is used on site, then it is to be used on the stage platform. Tie downs on the front go to the nearest tree to the left and to the rail post to the right. Offsite use requires moving the house. It weighs over 250 pounds. It has a separate blower that weighs approximately 40 pounds. The blower requires no special electric supply. Folded it is approximately 3 x 3 x 4 and takes a minimum of three people to carry.

Prices

On-site Rental - **3 hrs or less:** \$50 - preferably with a party and room rental. One time rentals with no room associated will be considered.
3 - 6 hrs: \$150 - This use is typically associated with a special event, the terms of which are negotiated separately.
Longer on-site uses: Please inquire
Use Deposit and Refund Terms: You will be required to pay a deposit that secures the castle for your date. This deposit is 50% of your agreed fee. Should you have to cancel for any reason, including weather, you are entitled to a 100% refund of your deposit if you cancel three weeks in advance of your first use day, 50% of your deposit if you cancel one week in advance. No refund for cancellations less than one week in advance. However, rescheduling is possible.
Security Deposit: - on site - equal to cost of rental - paid in advance with a separate check. If no damage then check is destroyed.

Off-Site Rental - 9am to 8am - \$250 and you handle all pick up and return. Longer - please inquire.

Deposit - off site - one time the cost of rental - return all pieces in condition they were in when you took them, then get your separate deposit check back. Use deposit and refund terms same as on-site rental written above.
